

CAPABILITY STATEMENT

SECURE ROUTE SOLUTIONS

WHO ARE WE?

At **Secure Route Solutions**, we are more than just a courier service—we are partners in reliability, precision, and care. Our journey began with a vision to revolutionize logistics through innovation, exceptional service, and an unwavering customer-first mindset. We specialize in time-sensitive and mission-critical deliveries across medical, legal, and business sectors.

With a team of highly trained professionals and a deep commitment to empowering clients through logistics, we provide tailored solutions that help organizations and individuals meet their goals efficiently and confidently.

CORE CAPABILITIES

- Medical Courier Services
- Organ Transport & Critical Medical Delivery
- Legal Courier Services
- Specimen & Lab Logistics
- General Parcel & Business Delivery

CORE COMPETENCIES

- Expertise in HIPAA-compliant medical and legal courier protocols
- 24/7/365 availability for time-critical delivery needs
- Full chain-of-custody documentation and tracking
- GPS-monitored fleet with real-time delivery updates
- Custom routing and scheduling based on client needs
- Background-checked, trained, and uniformed drivers

WHY CHOOSE US?

Customer Commitment

At Secure Route Solutions, we prioritize your peace of mind by offering tailored logistics services that meet your specific needs. Whether transporting sensitive medical specimens or legal documents, we ensure every delivery is handled with care, confidentiality, and precision.

Reliability

Timeliness is at the heart of our operation. Our clients depend on us for prompt pickups and on-time deliveries—day or night. With 24/7 availability and real-time tracking, we consistently deliver when it matters most.

Skilled Courier Professionals

Our drivers are background-checked, professionally trained, and experienced in handling critical and sensitive deliveries. From organ transport to legal filings, our team upholds the highest standards of safety, discretion, and professionalism.

Specialized Fleet

We operate a secure, GPS-tracked fleet tailored to a variety of needs—from temperature-sensitive medical deliveries to urgent document transport. Our vehicles are well-maintained and equipped to support the safe handling of time-critical materials.

OUR DIFFERENTIATORS:

- **Expertise:** Our team consists of highly trained professionals with specialized experience in legal, medical, and organ transport logistics.
- **Personalized Service:** Every client receives a solution built around their unique operational requirements, ensuring maximum efficiency and satisfaction.
- **Prompt & Reliable Delivery:** We pride ourselves on our ability to meet tight deadlines with precision and consistency—24 hours a day, 7 days a week.
- **Mission-Driven Approach:** Our services are designed not only to deliver goods, but to contribute to a larger mission of empowering businesses, saving lives, and supporting communities.
- **Sustainability & Integrity:** We integrate environmentally-conscious practices and uphold the highest standards of professionalism and accountability.
